

200 A WELDING MACHINE

VIAS200

Welding Equipment 200A, with a rated power of 11, 2kVA, has a performance of 60%, power factor 1 with a type of arc welding, with an electrode diameter of 2 - 4mm, thermal isolation class H, with an IP21S protection rating, to perform all your activities

Key features

> 200 A and two-phase appliance, it is equipped with the necessary accessories and ensures an excellent performance. Ventilation system, Thermal protection, Suitable for use in industrial environments. Ventilation system, Thermal protection, Suitable for use in industrial environments.

Specifications

Electrode diameter	2 - 4 mm
Height	315 mm
Insulation class	H
IP code	IP21S
Length	480 mm
Power factor (cos Ø)	1
Product weight	20.995 kg
Rated power	11,2 kVA
Suitable for use in industrial environments	Yes
Thermal protection	Yes
Type of welding	Arc welding
Ventilation system	Yes
Weight with packaging	21.564 kg
Width	270 mm
Yield	60%

Package Contents

Included accessories: - Earth clamp, electrode holder, welding mask, cleaning brush, wheels.
