

BRUSHLESS COMBI DRILL + IMPACT DRIVER + 2X BATTERIES 20V + DUAL CHARGER + BAG

PACK5EGOPRO

This PACK (PACK5EGOPRO) comes with a Brushless Combi Drill 20V that provides the power needed to drill quickly and precisely in a variety of materials. The Impact Driver 20V guarantees fast and efficient screwdriving in a variety of applications, from wood to metal. It is complemented by two 20V 5Ah EGO batteries that guarantee extended autonomy, even for the most demanding tasks. The 20V dual fast charger allows you to charge both batteries simultaneously. For transport and organisation, this set comes with a tool bag with a hard base, which ensures transport, protection and easy access to your tools.

Key features

- > The Brushless Combi Drill 20V is equipped with a brushless motor and a quick-release metal chuck with spindle lock (capacity between 2 and 13mm).
- > This Combi Drill model has two no-load rotational speeds (0 - 500rpm; 0 - 2000rpm), as well as an impact drilling mode with two rates depending on the selected speed (0 - 7500ipm; 0 - 30000ipm).
- > The Impact Driver 20V can reach a speed of 2200rpm and an impact rate of 3000ipm, standing out for its efficiency.
- > This Impact Driver is equipped with a 1/4" drive with a hexagonal attachment that allows quick and agile bits change.
- > The 20V 5Ah EGO batteries have no memory effect thanks to their lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. They are equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V dual fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device. It allows you to quickly charge two batteries at the same time.
- > The tool bag contains 25 storage pockets, 8 of which are on the outside, and it can withstand a maximum load of 25kg. It is equipped with a shoulder strap with a perforated, soft lining, as well as a waterproof, shockproof plastic base.
